To Whom It May Concern:

With this letter we wish to extend our sincerest gratitude to the FacetoFace Ministries team that ministered in our local church this past spring.

Over the span of two days, the team proclaimed the Gospel to over 1,700 Manitoba Catholic Schools students through our annual Spirit Days, as well as 50 of our youth ministry leaders, parents and guardians, through an engaging evening workshop.

Through the regular challenges of hosting such large-scale events, the FacetoFace team members remained as consummate professionals and were such a pleasure to serve with. They were able to adapt to changing situations with ready and humble hearts. Above all, I was impressed with the team because they “walked the talk.” They proclaimed our Faith authentically, and during their stay here in Winnipeg lived it with love and joy.

On behalf of the Archdiocese of Winnipeg, we thank you once again, FacetoFace Ministries, and wish you well and an abundance of blessings as you continue in your mission.

Sincerely yours in Christ,

Christian Martinez, *Director*
Office of Youth and Young Adult Ministry
Archdiocese of Winnipeg
