“The FacetoFace Ministry team was a faith-filled enthusiastic duo who engaged our students from Kindergarten to grade 8 with a Gospel message that was entertaining and faithful” - Principal

Many schools have us lead retreats annually; each year we come with a new theme and content to provide a unique experience every time.

Costs

The retreat fee is \$1000 + travel expenses (accommodations, meals, travel) per retreat. The travel expense fee is split among the schools that book us in one area at one time, thus saving costs for each school.

A Lasting Impact

By Michael Smith, Principal at St. Luke Catholic School

Thanks to the financial support of the REAL Foundation and the organizing expertise of our Elk Island Catholic School District's Religious Education Consultant, the students and staff of St. Luke Catholic School were treated to the incredible energy of the team from FacetoFace Ministries. In January of this year, when it was too cold to venture outside for recess, Jon and Ryan warmed all of us from the heart out by sharing with us their absolute 'Joy of the Gospel' and love of Jesus Christ.

From the moment our students entered the gym, Jon and Ryan had them in the palm of their hands. Students from grades 1-8 were enthusiastic participants for the remainder of the day. Even when students were back in class, they kept asking their teachers when they would get to go back with the FacetoFace team.

The day had an impact on all who were fortunate to have the experience. Students who had been re-

luctant to take a leadership role were jumping up to participate in front of the school family.

I was pleased to report the day's events that evening to our School Council. Several of them had the following to say;

"We are new here this year, and my son in grade 4 said, 'I have had many great days at St. Luke this year, but this was the best!'"

"My junior high son, who usually doesn't go for this kind of stuff, came home and raved about the experience."

Just last week I had occasion to have about 20 minutes of uninterrupted time with my grade 8's. I asked them if after almost 3 months and they were still affected by their experience with FacetoFace. Their collective response was;

"It was amazing. We were able to experience the joy of God's love in very creative ways. They showed us that religion can be fun."

How has the teaching staff been affected you may ask? We have come up with a plan to budget the funds needed to have the group back again next year. As Sr. Claire Fitzgerald has told us on a number of occasions, "Show me where your school or school district spends its money, and I will show you what is important to you."
