

2020 CORPORATE SPONSORSHIP INFORMATION PACKAGE

Dear

FacetoFace Ministries is a registered charity that transforms the lives of youth. Over the past 20 years countless people have encountered Jesus Christ and embraced the call to be saints. In that time we have grown from leading weekend retreats into a multifaceted Catholic evangelistic ministry. In addition to Youth Retreats, we now facilitate Ignite Summer Camps, a Bus Trip, School Retreats, an annual United Conference, and more. In all our programs we are blessed to see God bearing beautiful fruit, like youth joining the Catholic Church, getting involved in their parish, discerning religious vocations, and becoming leaders in the Church.

It is with great excitement that we, FacetoFace Ministries, invite you to partner with us through the form of a corporate sponsorship. We believe that both groups involved benefit from these sponsorships; FacetoFace receives financial help to ensure excellent quality events and longevity of our ministry, and you receive weekly prayer from our staff, prayer from our many event participants, advertising at our events, and more.

It is by the grace of God that we spend one in every three days actively proclaiming the gospel to more than 22,000 people each year across western Canada through the many programs we offer. And all of this is accomplished within our modest annual budget of about \$350,000. **You can be confident that your sponsorship goes a long way in impacting youth.**

We ask you please take the time to consider becoming a corporate sponsor. The various sponsorship packages are found on the following page. If you would like more information about who FacetoFace Ministries is or what we do please contact Jon Courchene, or visit our website at www.f2f.ca

We look forward to hearing from you soon, and pray that 2020 is a very blessed and successful year.
